Apex Sunrise Rotary Announces Flags for Heroes

The Apex Sunrise Rotary Club Foundation is excited to launch its first Flags for Heroes project which will provide an amazing visual display of a field of American flags in the Town of Apex during the week of Veterans Day 2020. Beginning on Saturday Nov 7, flags will be flown on the North Salem Station property at the intersection of Laura Duncan and Old Apex Road.

A special Veterans Day ceremony will take place at the site on Wednesday November 11.

Proceeds will benefit the United States Veterans Corps. Visit our website for details and sponsorship opportunities.

Apex Sunrise Rotary Adopts Greenway at Apex Jaycee Park

The Apex Sunrise Rotary Club has adopted the greenway at Apex Jaycee Park through the town's Adopt-A-Greenway program. The club will be responsible for periodically working to pick up litter along the greenway throughout the year. October 24 was the first time we turned out, and we had great participation from our members. Working to serve the Apex community and live up to the Rotary International motto "Service Above Self."
