FIRST APEX SUNRISE ROTARY FLAGS FOR HEROES A SUCCESS

During the week of November 7-14, a vacant lot in Apex was transformed into a sea of American flags as the Apex Sunrise Rotary “Flags for Heroes” event got underway. Rotarians and other volunteers planted 200 US flags as well as flags from the various military branches in honor of Veterans Day. Individuals could sponsor flags to honor heroes in their lives; veterans, active military, police, fire, first responders, doctors & nurses, teachers or anyone else they consider a hero. Medallions with those names were placed on the flags and then presented to the sponsors when the event concluded. On Wednesday November 11 a special ceremony was held that included District 7710 Governor David Hayden, Apex Mayor Jacques Gilbert and other officials from Apex and Cary. Through sponsorships, the event raised money to benefit the US Veterans Corps and other Rotary charities. A huge thank you to the community for your support.

Apex Sunrise Rotary Hears From Superintendent of Arlington National Cemetery

The Apex Sunrise Rotary Club was honored to hear from Mr. Ray Alexander, Superintendent of Arlington National Cemetery at its November 10 meeting. As Superintendent, he is responsible for the day-to-operation of the site, all funeral services and planning for expansion. There are approximately 160 funeral services held there every week, and more than 3.5 million people visit each year. Thank you Ray Alexander for taking time out of your busy schedule to present to our club.
