APEX SUNRISE ROTARY CLUB KICKS OFF 2021 WITH A VARIETY OF SPEAKERS AND PROGRAMS

One of the positives for the Apex Sunrise Rotary Club meeting virtually is that we are able to have interesting speakers and programs from individuals and group from all over the country. That has proven true for the beginning of 2021 as the club has had some unique and interesting programs:

Matt Wight

Jerry Harris

Vitaliy Bezrodnov

January 5-Apex Friendship High School Principal Matt Wight joined us virtually to share the latest and to bring us up to date on the recent challenges due to COVID-19. He has been associated with our club for many years and is an honorary member of our club.

January 12-Jerry Harris of the TV show Fish Mavericks spoke to our club from Virginia. Jerry shared how he got involved in deep sea fishing tournaments and how that evolved into an entertaining television series.

January 19-Vitaliy Bezrodnov who is the founder of the "Rotary Childrens Fund" (RCF) and a member of the Rotary Club of Fuquay-Varina. RCF is an organization that exists to promote good will between countries by funding organizations that contribute to peace, cultural understanding and appreciation through the arts. The RCF finds young artists, performers and musicians worldwide to share their cultures through their performances and workshops.
